

NORTHEAST WISCONSIN HIGH POWER LEAGUE

2023 MATCH SCHEDULE <http://www.newhighpower.com/>

There is a **\$10** fee to enter the league and each match fee is **\$10.00**.

Please use the new score sheet; available at <http://www.newhighpower.com/>

We use NRA Service Rifle Rules with the exception of allowing up to 3 sighters to start the match. A copy of the Service Rifle Rules can be obtained from the NRA or online at <http://competitions.nra.org/documents/pdf/compete/RuleBooks/HPR/hpr-book.pdf> Match scoring is done by Team. **Teams with less than three shooters will not be awarded any Team Points.**

Scores will be sent to the **NRA** at the end of the season, and all competitors who pay the league fee and fire 3 or more matches will receive a league T-shirt. Shirts will be given to the Team Captains at our annual awards banquet.

To reserve a firing position send registration/match fees to the team captain. Reservations are limited to two relays. If additional firing points are available on later relays, you can fire again, but only at the time the relay is called to the line. Checks in payment of league and match fees should be made payable to the captain of the hosting team.

Use the league score sheet. **Please fill out all information CLEARLY and completely!** Make sure you have your NRA number and T-shirt size indicated, especially on the first match you shoot this year.

Please take time to help new competitors fill out score sheets properly. Help your Team Captain run the match if it is being hosted by your club.

If you are firing ahead the first match goes for the match date, second goes to the next match or the third, whatever the case might be.

RANGE AND FIREARM SAFETY

You must have your rifle aimed at the backstop while closing the bolt and finger off the trigger until sights are engaged on the target. We simply cannot take any chance of an accidental discharge sending a projectile out of any of our ranges. All rifles will have Empty Chamber Indicators (ECI) inserted at ALL times, except during preparation periods or actually firing. Remember, Safety First, Last and Always.

Match Dates: Relay 1 begins firing at 0900 and subsequent relays follow at 1030, 1200 and 1330

Northeast Wisconsin High Power League

2023 Postal Match Procedure

Competitors can shoot up to five matches for 2023 at the regularly scheduled face-to-face matches AND/OR can supplement the face-to-face matches with **UP TO TWO 'postal match' scores.**

All matches are to be shot in the conventional order at 100 yards.

Two competitors are required in order to shoot a postal match.

Up to (3) sighters are allowed to begin the match. Sighters are to be pasted before record shots commence.

Then (50) shots will be fired for record. A timer must be used for all stages of the match and record shots must be taken in the allotted time. Late shots do not count for score.

- 1) Offhand 10 rounds 10 minutes SR-1 reduced target
- 2) Rapid Sitting 10 rounds 60 seconds SR-1 reduced target
- 3) Rapid Prone 10 rounds 70 seconds SR-21 reduced target
- 4) Slow Prone 20 rounds 20 minutes MR-31 reduced target

Match fees are \$10.00 per match.

Postal Match Procedure:

Team Captains can supply and collect targets for the Postal Matches.

Competitors wishing to participate in the postal matches must:

- 1) Coordinate with a Team Captain to purchase targets. The targets will be labeled and these targets must be used to shoot the match. Match fees are \$10 per match.
- 2) The competitor can then shoot the match at the venue of his or her choice following the format described above.
- 3) The competitor then should score the targets using a standard NEWHP score sheet.
- 4) Finally, the competitor needs to coordinate with the same Team Captain to turn-in the score sheet(s) and targets. Score sheets and targets need to be submitted to the Team Captain prior to end of day of any scheduled league match that the competitor wants the score to apply to.

Team Captains should check/verify score, sign the score sheet as scorer if not already signed by the second competitor, and submit the score sheets to Jeff Verhaeghe.

Deadlines:

In order to qualify for team scores for any particular league match, it is the competitor's responsibility to coordinate with the Team Captain to allow for adequate time to get scores submitted to Jeff Verhaeghe prior to end of day of the league match.

This also means that all scores have to be submitted for the season prior to end of day of the last scheduled league match of the year.
